Penna. Attorney General Josh Shapiro
1514 Strawberry Square
Harrisburg, Pa. 17120 [REDACTED]

Dear Pennsylvania Attorney General Josh Shapiro,
Thank you for your time and support of
Pa. Farms under the ACRE program.
I have a very important request for
your office to look into along with Penna
Dept of Agriculture Chief Counsel D.W.
Duer. They know of our concerns.
The Penna. Public Utility Commission
has no BIOD. Security handbook on
training to make Eminent Domain
rulings on Farm land. In 2015 they
told in person, Attorney Diane Dushman
that the Penna. Dept of Environment
Protection handles it! In 2017 they de-
clined free training at the Pa. Farm Show
and Secretary Chivette via phone with
Don Danuszewski, that Pa. DEP handle
BIOD. Security. This makes my Feb 2014
ruling, Just Farm land!, Wrong?
Sincerely
[REDACTED]
