RE: CLAY TOWNSHIP – ACRE CASE – [REDACTED]

Dear Mr. Willig:

We are writing to inform you that the Township, complainant, [REDACTED] and property owner, Girl Scouts in the Heart of Pennsylvania (GSHPA) have successfully reached an agreement and a Zoning Permit was issued for Timber Harvesting on the subject property.

A successful resolution having been attained we do not believe further Ordinance review by your office is required. Should you require any additional information please contact me.

Respectfully yours,
