Subject: ACRE Request
Attachments: ACRE Pocono Twp..pdf

Dear Mr. Willig,

I am writing to ask your office to do and Acre request for Pocono Township, Monroe County PA.

They have several requirements in their forestry ordinances that may not be legal for them to require. Although it is not in their ordinance they, like Eldred Township, require and E&S Plan review and approval from The Monroe County Conservation District or they will not issue a permit to harvest.

Thank you for your time in this matter.
