The Board of Supervisors has determined and hereby determines, based upon weight and size restrictions, based on highway conditions and studies, and otherwise, that the following roads be damaged or destroyed unless the permissible weight of motor vehicles is restricted to the weight limits listed. A complete list of the roads, identified by their Route Number, Road Name, Part of the Road Restricted and Weight Limit, is attached hereto as Exhibit "A" and is made a part hereof.

#### SECTION 5. VEHICLE WEIGHT LIMITS ESTABLISHED.

(A) Pursuant to the findings under Section 4, supra, and by authority of Section 4902 of the "Vehicle Code" and regulations promulgated thereunder, no motor vehicle or combination shall be operated upon any of the roads listed in Section 4, above, with gross weight in excess of the weight limits listed for said road in Section 4.

(B) Local traffic, as defined herein, may be exempted from the restrictions imposed under Section (A) above. However, if the Board of Supervisors determines that any local traffic is likely to damage the road, the Board of Supervisors will so notify the registrants of the motor vehicle or combination, by certified mail, return receipt requested, and will also notify the Pennsylvania State Police by First Class Mail, postage prepaid. After two (2) business days

following delivery of the notice, or after five (5) days following mailing of the notice, such local traffic vehicles shall not exceed the weight limits except in accordance with Section 6 hereof.

#### SECTION 6. PERMITS AND SECURITY.

Individuals or entities wishing to operate vehicles in excess of established weight limits on restricted weight Township roads may apply for a permit to do so on a form provided by the Township and said permit application will be referred to the Township Roadmaster, Public Works Director, Supervisor, Road Foreman or other designated decision-maker who shall:

#### SECTION 7. ERECTION OF SIGNS.

The Township shall erect or cause to be erected and maintained restriction signs designating the restrictions at the end of the portion of road restricted as provided in this Ordinance. In the case of a restriction on a road which has not begun or ended at an intersection with an unrestricted highway, the Township shall also place an advance informational sign at the intersection nearest each end of the restricted portion of the road which would allow drivers to avoid the restricted portion of road.
