

Dave Sunday

Pennsylvania Attorney General

Dave Sunday serves as Pennsylvania's Attorney General with a focus on keeping Pennsylvanians safe. A career prosecutor who previously served as District Attorney in York County, Dave believes that the best way to protect Pennsylvania is through an approach of what he calls "accountability and redemption."

Attorney General Sunday believes that we must hold criminals accountable for their actions while at the same time embracing redemption for those who have been held accountable. Through this approach, Dave believes that we can keep Pennsylvania safe and ensure that those who have gone through the criminal justice system have a chance to become productive members of our community.

Office Overview

The **Criminal Law Division** protects Pennsylvanians by prosecuting crimes including drug trafficking, child predators, organized crime, public corruption, insurance fraud and environmental crimes. The division leads the Attorney General’s fight against the heroin epidemic and handles complex investigations in partnership with state and federal law enforcement.

The **Civil Law Division** upholds Pennsylvania’s Constitution and represents the Commonwealth in legal proceedings. The division’s many responsibilities include defending state agencies and state laws, collecting debts owed to the Commonwealth, and reviewing state contracts and agency regulations to ensure they comply with the law.

The **Public Protection Division** takes on scams and deceptive business practices to protect consumers from being ripped off – whether it’s \$30 from an unfair fee or \$30,000 due to deceptive lending practices. The division handles disputes against businesses, ensures market competition through antitrust enforcement, oversees nonprofits, and upholds civil rights and labor protections by prosecuting patterns of discrimination. Each year, the office recovers millions of dollars for the Commonwealth and individual Pennsylvanians.

The **Office of Public Engagement** prevents crime through outreach in communities across Pennsylvania. The office teaches young adults and parents about drug addiction and shows seniors how to avoid becoming the victim of a scam.
