Re: ACRE Complaint – Caln Township

Dear Mr. Willig:

I am writing to inform you that the Caln Township Board of Commissioners adopted the enclosed Ordinance on January 29, 2026. As previously explained, the Ordinance deletes the forestry and timber harvesting regulations in the Zoning Ordinance and adopts a new chapter in the Caln Code which adopts the Pennsylvania Model Forestry Ordinance.

Please do not hesitate to contact me with any questions.

Very truly yours,
