Dear Mr. Willig,

I am filing a formal complaint against East Brunswick Township, Schuylkill Co, PA in regard to their timber harvesting ordinance #630, located on pg 88 of the attached document.

There are numerous clauses in the ordinance that are not in compliance with the ACRE law and are not reasonable regulations of forestry activities. To name some of them:

- Requiring a forest management plan prepared by a forester.
- Requiring 60 days notice , This is excessive.
- Restricting the use of the silvicultural method of clear-cutting.
- Tree Inventory Report and Replacement Tree requirements.
- Requiring the E&S plan to be submitted to the conservation district for review.

Sincerely,
